

Estacado Federal Credit Union
Mobile Wallet
Terms and Conditions
Revised 2/04/25

These Terms and Conditions govern your access, consent, and use of your Estacado Federal Credit Union (Credit Union) credit and debit cards in the Mobile Wallet application and related features and services offered through Credit Union.

1. Mobile Wallet Service.

The Mobile Wallet Service is available for the purpose of purchasing goods and services with a compatible wireless mobile phone or device with merchants who accept Mobile Wallet applications (Apple Pay, Google Pay, and Samsung Pay, etc.) as a form of payment. The Mobile Wallet service enables you to create and store virtual representations of your eligible Credit Union Cards and add account information on your supported device creating a "Mobile Wallet" that will permit you to use your Mobile Wallet to authorize and make payments at merchant's point of sale terminals or readers without your plastic Credit Union Card. Your Mobile Wallet may not be accepted at all places where your Credit Union Card is accepted. By storing your debit or credit card number in a Mobile Wallet, you agree that any use will be subject to the terms of your existing debit or credit card agreement, respectively, as may be amended. If your phone or device is lost, stolen or compromised, please contact Estacado Federal Credit Union right away.

2. Eligibility & Enrollment.

Only Credit Union Cards that we indicate are eligible can be added as a Mobile Wallet. If your Credit Union Card or underlying account is not in compliance with the Credit Union Card Agreement, that Credit Union Card will not be eligible to enroll as a Mobile Wallet. You can add an eligible Credit Union Card as a Mobile Wallet by registering the Card through payment service provider by following the authentication and enrollment requirements.

If additional verification is required to add your card to a Mobile Wallet, we may need to ask for additional verification using text message or email. If you choose text messages as your verification method, you consent to receive text messages at the mobile phone number you have on file with us for this card. Text messages may be transmitted using auto-dialer technology. Your usual wireless carrier fees may apply.

One message per user. Message and Data Rates May Apply.

Release of Liability: Alerts sent via SMS may not be delivered to you if your phone is not in the range of a transmission site, or if sufficient network capacity is not available at a particular time. Even within coverage, factors beyond the control of the carrier may interfere with message delivery for which the carrier is not responsible.

3. Card & Service Responsibility.

You understand and agree that your storage and use of your MasterCard number, token and access code in a Mobile Wallet application of yours is a permitted use of your Card and account as you authorize.
